I'd very much like to share a version of this with Trish Biggio in PRD. I would share a "clean" version of the attached, but I'm attaching a track-changes version so you can see the changes I've made for the version I'd share with Trish.

Please let me know ASAP if I can share this.

Thanks (and a HUGE THANK YOU, again, to Bob for putting this together!).

Bob sent me this and I think this is super helpful. Thanks so much to Bob.

Ben – Elissa sent me a note that she wants to talk about the timeline and I told her to look for time that you are available.

Sorry – I got carried away. Not sure if this is what you were looking for... If not, sorry – and let me know whether I should have answered something else. If it's too broad, keep it for later – there are a lot of issues that are likely going to come up, and I probably only scratched the surface of them. Happy to chat if you're interested
